Capability Statement

Elevating Us

Dr. Adia Winfrey
404.704.4014 adia.winfrey@gmail.com letsgethype.com

Core Competencies

Elevating Us is a company committed to empowering children, families, professionals, and communities through:

- Disseminating H.Y.P.E.: Healing Young People thru Empowerment, a Hip Hop-based group therapy curriculum.
- Offering unique professional development workshops and presentations to educators, mental health professionals, parents, students, and youth advocates.
- Providing corporate training for community organizations.
- Event production for multi-generational audiences.

Past Performance

Past and current Elevating Us customers include:

- Ohio Rehabilitation Counselors Association
- City of Dayton (OH) Human Relations Council
- Metro Louisville (KY) Department of Community Services and Revitalization
- Chicago Department of Cultural Affairs and Special Events
- Wisconsin Department of Juvenile Corrections

Differentiators

Elevating Us is the only company that specializes in Hip Hop-based youth programming, professional development, and training for an array of audiences.

Hip Hop culture is expansive and greatly impacts the lives of youth and young adults of varying backgrounds. Through our unique Hip Hop-based services, Elevating Us is improving youth engagement and performance.

COMPANY DATA

Elevating Us utilizes Hip Hop culture as a vehicle to educate, heal, and empower today's youth.

Learn more about Elevating Us, and the globally recognized H.Y.P.E. curriculum on our website letsgethype.com.
